

# 25th Annual North American Entertainment, Sports, and Intellectual Property Law Conference

Secrets Wild Orchid, Montego Bay, Jamaica  
November 6-10, 2013

## *Intellectual Property Section CLE Program Sponsorship Package*

The IP Institute is a continuing legal education event offered by the Intellectual Property Section of the Georgia Bar to its members (more than 1000 in number) and to the community of intellectual property lawyers in Georgia and other states. The Institute typically includes a mock oral argument before two or more judges from the Federal Circuit, as well as a host of other panel discussions and presentations. In addition to the continuing legal education opportunities, the Institute also offers the opportunity to enjoy the tropical location while networking with judges and colleagues.
